The agreement may be signed and returned as it provides for the G.M.P. Authorities paying for one-half of the Crane and supplying to us cooling water free of Cost, and is necessary only for audit purposes. These two points were agreed to between the Chief Engr. & myself but we did not think it necessary to include them in the agreement, but the Audit Dept does

Subject.

Supply of electric energy from Sivasamudram to Metur Works.

Sir,

Gs 7, 8, 10, 11, 13-26

I am directed to refer you to the agreement between the Government of Mysore and the Government of Madras for the supply of electric energy to Metur Works and to say that the Government of Madras intimate that certain points were, by oversight, not incorporated in the agreement. In order to meet an objection made by their auditors to the implementing of these clauses which are not included in the agreement, the Government of Madras suggest that a supplemental agreement may be drawn up to cover them.

2. The Government of Madras have sent two copies of a proposed agreement, signed by the Secretary to the Government of Madras, Public Works and Labour Department on their behalf. I am to enclose the two copies of the proposed agreement in question and to request that, if the terms of the agreement are acceptable to the Government of Mysore, one copy may be signed by you and returned to this Residency for transmission to the Government of Madras.

I have the honour to be,
Sir,
Your most obedient servant,

for SECRETARY TO THE RESIDENT
